Profile

Aspiring Software developer with a keen interest in crafting engaging and user-friendly web experiences. Proficient in HTML, CSS, and JavaScript, with hands-on experience in building responsive websites. Well-versed in front-end frameworks such as React. Detail-oriented and committed to staying abreast of the latest industry trends and emerging technologies. Eager to contribute my skills and passion for web development to a dynamic team, fostering innovative solutions and exceptional user interfaces.

EXPERIENCE

React Js Developer Intern| Skill Safari

APRIL 2023 -MAY 2023

Interned at Skill Safari, honing front-end skills in HTML, CSS, and JavaScript. Collaborated with the development team on implementing responsive user interfaces for web applications. Proficient in React, contributed to interactive component development. Demonstrated strong problem-solving abilities in debugging and code optimization. Worked closely with cross-functional teams, ensuring seamless integration of front-end and back-end elements. Actively stayed current with industry trends and emerging technologies.

-(HTML,CSS,JAVASCRIPT,REACT,BOOTSTRAP)
